

Year 6 spellings.

Every half-term, Year 6 will be given a selection of the Year 5 and 6 spellings from the statutory list. These are to be learned over a half-term, and used in their writing at school. We have tried to add to the relevance of each half-term's set, by choosing words from the list that are most relevant to the half-term's topic. Summer 1 is New York City and the words are as follows:

Summer 1 –

accommodate	average	cemetery	convenience	disastrous
exaggerate	familiar	foreign	forty	marvellous
neighbour	opportunity	persuade	privilege	profession
recommend	temperature	twelfth	variety	yacht
