

# Sefton Team Around The School

The Team Around The School (TAS) involves professionals coming together to make sure that worries are dealt with at the earliest point and you receive the help you and your family need.

Every family could benefit from Team Around the School and everyone needs help and support at times and that is ok. These are some of the worries you may be facing that a Team Around the School approach can help you with:

Family  
Routines

Health  
Concerns

Drug and  
Alcohol  
Misuse

Emotional  
Health  
and  
Wellbeing

Housing  
Support

Parenting

Speech and  
Language  
Development

Money  
Worries

Managing  
Behaviour

Parental  
Relationships

The Team Around the School meetings are arranged by someone who knows you and your family like a School or Nursery and they will take place there.

You will work with someone from the team to develop a support plan, which is tailored to you and your families needs. Your child's school will then explain the options of support available from different partner services
